

## Introduction

I feel like I'm preaching to the choir...

John 3:16 - For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

God first loves us and He does not want our works. He wants our belief in Him.

## America is at the cross roads.

The present administration has started to: tax, spend, redistribution of wealth, bail-outs, Socialism, bribes & pay-offs.

The following has begun in the United States of America: the rise of Obama, the rise of the Media, borders not enforced, US laws not enforced, illegal aliens, global weather, healthcare, swine flue, AIDS, the many bail-outs, floods, earthquakes, storms, fires, famines in the world, genocide in the world, identity theft, asteroids, the decline of the US Dollar & the Economy, the loss of jobs, etc.

The downside as stated above can be simply explained by taking God out of school and government. What can be expected? Without God there can be no protection.

Money spent that I'm aware of: TARP – 700 billion, Federal Stimulus – 1.2 trillion, Federal Reserve – 6.4 trillion. That is 8.3 trillion dollars. How rich is the rich? Have you benefitted from all this spending?

### Adding Up the Government's Total Bailout Tab

Beyond the \$700 billion bailout known as TARP, which has been used to prop up banks and car companies, the government has created an array of other programs to provide support to the struggling financial system. Through April 30, 2009, the government has made commitments of about \$12.2 trillion and spent \$2.5 trillion.

Another case in point - the 'Department of Energy' was instituted on 8/4/1977, to lesson our dependence on foreign oil. It has been 32 years later and costs \$24.2 billion last year to run. It has over 16,000 employees and 100,000 contractors. It has not provided one barrel of oil. So much for a bureaucracy. Let's give the Banking system, Auto Industry, and Health Care to the Government to run in the name of Change.

### Abortions in the United States:

Number of abortions per year is approximately – 1.37 Million

Number of abortions per day is approximately – 3,700

Since 1973 (Roe VS. Wade) all abortions were legalized for health reasons.

About 1/3 of all babies conceived are aborted.

Repeat abortions are approximately 42%.

The total abortions in the US since 1973 are approximately 50 Million.

Approximately 12,000 alcohol impaired traffic crashes each year.

That is three in every ten Americans will be involved in alcohol related cash in their lives.

Health Care:

56% of the people oppose the bill.

It will cost \$900 billion over five years

**Psalm 14:1.** The fool hath said in his heart, there is no God...

Do you want to be governed by fools?

America is at the cross roads. It was founded on Christian principles but lately it is questioning its roots. Obama said we are not a Christian nation. We are more tolerant with Islam, Buddhism, Hinduism, and Atheism than Christianity. That is why we have a rise in Terrorism. "Good" and "evil" can not exist in the same place at the same time.

He first loved us. John 3:16 - For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

Being a Christian is a "religion" different than any religion because God loves us first and He conquered the grave. That is why we have *Christmas* and *Easter*.

Quotes from our Founding Fathers and Ronald Reagan.:

It is impossible to rightly govern a nation without God and the Bible

**George Washington**

Experience teaches us that it is much easier to prevent an enemy from posting themselves than it is to dislodge them after they have got possession.

**George Washington**

Firearms are second only to the Constitution in importance; they are the peoples' liberty's teeth.

**George Washington**

Government is not reason; it is not eloquent; it is force. Like fire, it is a dangerous servant and a fearful master.

**George Washington**

Government is instituted for the common good; for the protection, safety, prosperity, and happiness of the people; and not for profit, honor, or private interest of any one man, family, or class of men; therefore, the people alone have an incontestable, unalienable, and indefeasible right to institute government; and to reform, alter, or totally change the same, when their protection, safety, prosperity, and happiness require it.

John Adams, Thoughts on Government, 1776

"Our Constitution was made only for a moral and religious people. It is wholly inadequate to the government of any other."

John Adams, Thoughts on Government, 1776

A Bill of Rights is what the people are entitled to against every government, and what no just government should refuse, or rest on inference.

**Thomas Jefferson**

A wise and frugal government, which shall leave men free to regulate their own pursuits of industry and improvement, and shall not take from the mouth of labor the bread it has earned - this is the sum of good government.

**Thomas Jefferson**

All tyranny needs to gain a foothold is for people of good conscience to remain silent.

**Thomas Jefferson**

We in America do not have government by the majority. We have government by the majority who participate.

Thomas Jefferson

Socialism only works in two places: Heaven where they don't need it and hell where they already have it."

Ronald Reagan

'Here's my strategy on the Cold War: 'We win, they lose.'

Ronald Reagan

'The most terrifying words in the English language are: I'm from the government and I'm here to help.'

Ronald Reagan

## Conclusion

The present administration and the media have made many miss-takes/errors. Without God what does one expect? Lack of morality is the problem. Unity in Jesus Christ is the answer.

Obama has appointed 32 Czars to date. I would not appoint these Czars due to these men are appointed by the President, not elected by the people. Here are examples of the Czars he has appointed. This represents the character of Obama.

<b>CZAR</b>	<b>Czar Position</b>	<b>Summary</b>
Richard Holbrooke	Afghanistan Czar	Ultra liberal anti gun former Gov. of New Mexico. <b>Pro Abortion and legal drug use.</b> Dissolve the 2nd Amendment
Ed Montgomery	Auto recovery Czar	Black <b>radical</b> anti business activist. Affirmative Action and Job Preference for blacks. Univ of Maryland Business School Dean teaches US business has caused world poverty. <b>ACORN board member. Communist DuBois Club member.</b>
Jeffrey Crowley	AIDS Czar	Radical Homosexual.. A Gay Rights activist. Believes in Gay Marriage and especially, a <b>Special Status for homosexuals only</b> , including <b>complete free health care for gays.</b>

Our focus is doing the things that will help save souls (guided by the Holy Spirit) and vote like Christians/Americans. We should love the things that God loves and hate the things that God hates...Love the sinner and hate the sin should be our motto. Obedience to God is the plan to execute.
