

## Healthcare and the 10 Commandments

### Healthcare

The present Bill on Healthcare is now Law. Obama signed this Bill into Law. Healthcare supports paying for abortions with taxpayer funds. That means if you have a job and pay taxes, you will pay for abortions. This is a fact! When one votes for a person that is for a law, it is like voting for that law.

The problem is when a law contains both good and evil. What to do? One must look at what Gods says about the law to form an opinion. There are "blessing" and "curses" to consider.

God says you shall not murder. An abortion is murder. God made the rules not I.

Despite the contradictory ideas and generalizations of organized religious denominations, your Bible clearly states: "Sin is the transgression of the law" (1 John 3:4, KJV). Sin is breaking God's spiritual law—the Ten Commandments.

The 10 commandments come from Exodus 20:1-17. Here is the verse:

**And God spoke all these words, saying: "I am the Lord your God, who brought you out of the land of Egypt, out of the house of bondage.**

- 1. You shall have no other gods before me.**
- 2. You shall not make for yourself any carved image, or any likeness of anything that is in heaven above, or that is in the earth beneath, or that is in the water under the earth; you shall not bow down to them nor serve them. For I, the Lord your God, am a jealous God, visiting the iniquity of the fathers on the children to the third and fourth generations of those who hate me, but showing mercy to thousands, to those who love Me and keep My commandments.**
- 3. You shall not take the name of the Lord your God in vain, for the Lord will not hold him guiltless who takes His name in vain.**
- 4. Remember the Sabbath day, to keep it holy. Six days you shall labor and do all your work, but the seventh day is the Sabbath of the Lord your God. In it you shall do no work: you, nor your son, nor your daughter, nor your manservant, nor your maidservant, nor your cattle, nor your stranger who is within your gates. For in six days the Lord made the heavens and the earth, the sea, and all that is in them, and rested the seventh day. Therefore the Lord blessed the Sabbath day and hallowed it.**
- 5. Honor your father and your mother, that your days may be long upon the land which the Lord your God is giving you.**

6. **You shall not murder.**
7. **You shall not commit adultery.**
8. **You shall not steal.**
9. **You shall not bear false witness against your neighbor.**
10. **You shall not covet your neighbor's house; you shall not covet your neighbor's wife, nor his manservant, nor his maidservant, nor his ox, nor his donkey, nor anything that is your neighbor's."**

## Healthcare

Over 56% of the people oppose the bill.  
It will cost \$900 billion over five years  
Psalm 14:1. The fool hath said in his heart, there is no God.  
Do you want to be governed by fools?

## Abortions

Abortions in the United States:  
The vast majority is for convenience. A form of birth-control.  
Number of abortions per year is approximately – 1.37 Million  
Number of abortions per day is approximately – 3,700  
Since 1973 (Roe VS. Wade) all abortions were legalized for health reasons.  
About 1/3 of all babies conceived are aborted.  
Repeat abortions are approximately 42%.  
The total abortions in the US since 1973 are approximately 50 Million.

Healthcare is the law. Healthcare is wrong in my opinion.
