

Pecking Order:

1. God trumps all...- God's Word will last while the Heavens and Earth passes away.
2. Believers trumps Satan - without Jesus you can do nothing.
3. Satan controls the non-believers – we see it in the world today.
4. Believers give Satan a degree of power – varies with choices and sometimes they are not good ones.
5. Sin is a negative to all Believers and opens the door to Satan.
6. Renewing the mind is the job for all Believers - We need to stay in the Word as much as possible. Learning how to walk with Jesus in every part of your life/day is a process.
7. All things on Earth are vanity - – it will not last.
8. Heaven is a reward to all Believers - an inheritance.
9. God has many names – He is love. John 3:16.
10. Trust God and Obey Him! - Fear God and obey His commandments for that is all man can do.
