

Salvation

God is three persons: Father (the I AM), Son (Jesus), and Holy Spirit (the Comforter). God loves us first and wants a relationship with us.

Being a Christian is a "religion" different than any religion because God loves us first and He conquered the grave. That is why we have *Christmas* and *Easter*.

He first loved us. John 3:16 - For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

Being a Christian is two levels. The two levels are: going to Heaven (fire insurance) and building a relationship (being lead by the Holy Spirit and by reading and doing the actions in the Holy Bible). The first part is easy to accomplish, the second part may take a life time to accomplish. Bible means Basic Instructions Before Leaving Earth.

I am working on the second part and ask for your prayers and assistance in this great journey.

In being a Christian does not mean there are no consequences to our actions (good or bad). It requires less effort to prevent a problem than to fix a problem. Being lead by the Holy Spirit and by reading and doing the actions in the Holy Bible will prevent problems in our life.

Our focus is doing the things that will help save souls (guided by the Holy Spirit) and vote like Christians/Americans. In the long run "souls" are all that counts.

Love,
Mike
