

Why

Ever wonder why things turn out like they do? Before I can continue we need to understand a few basic definitions (Hollywood, Good & Evil, God, and Satan).

Hollywood makes movies based upon what they want (World-System).

Good is called Evil and Evil is called Good.

God is referred to many names, here are a few: Holy, Love, Grace, Mercy, the Word, the Bible, Jesus, and the Holy Spirit.

Satan came to steal, kill, and destroy. Satan's other names are the World and the World-System.

Answer

The Church is being prepared for what is coming. God is using the events of this day to "wake up" the Church and bring the Church to where He wants it.

The latter rain is the out pouring of the Holy Spirit. Just like the first rain that was poured out over the Church, the latter rain will be poured out over the Church (you and me) in a greater manner.

The latter rain will start a world-wide revival.

We have heard that this is the year of our break-through.

Each one of us needs a different break-through in our life; from financial to healing, from jobs to relationships we have our own mountain to scale. We must speak to our mountain! For greater is He (Holy Spirit) that is in you than he (devil) that is in the world.

We see things primarily through 5 senses (sight, hearing, smell, taste, and feel). God wants us to see things through Faith. See Hebrews 11 1. We need to operate in the sixth sense of Faith. As we see things through Faith, we will begin to operate like God.

Consider

If Obama and the Media take a position on something, you can best take the opposite position and be correct.

The events of the day are based upon the World-System. The World says to prosper one must be/get into debt. God says to prosper one must give. Owe no man anything but Love.

The World-System is based upon debt. Our government (USA) has just spent a boat-load of money to buy our way to propensity. Greece is trying socialism and it does not work. The World-System is based upon debt.

The USA currently has three problems: Oil Spill, Borders, and Dishonesty.

Karl Rove quoted several laws that show that the Federal Government (Obama) is responsible for the oil spill. BP did the oil spill but the Federal Government is responsible for the clean-up and/or prevention.

Drilling within 3 miles is the Governor's responsibility beyond 3 miles is the Federal Government's. Inspections were dropped ten days prior to the oil spill by the Obama administration.

Sarah Palin stated that the Constitution says that the Federal Government (Obama) is responsible for the Borders. She blasted Obama for not making our Borders safe. AZ should never be in the position it is in.

Obama has just announced that he would send 1,200 National Guard Troops to the Border. I assume that the troops would be agents. I have just learned that the troops will have desk jobs and not agents. One can not assume anything.

Both (Rove & Palin) stated that Obama is fast to bypass the Laws and Constitution but fails to up-hold our Laws and Constitution.

Regarding dishonesty, the White House (Obama) must address Joe Sestak's claim that he was offered a job by the White House to drop out of the Senate race. Joe Sestak beat Arlen Specter in the Democratic bid for the Senate seat. Obama said that he has done nothing wrong. True or not, Obama has a political problem.

Actions

The first and foremost ingredient is to be obedient to God's Word and the Holy Spirit.

Remember - Prayer is more important than you think. He (God) makes the *best* out of our *mess*.

Remember - there is a **sender** (God by His Word & Holy Spirit through Grace), **receiver** (us through Faith), and **deceiver** (Satan through deceiving us by *twisting* the Truth).

Our focus is doing the things that will help save souls (guided by the Holy Spirit) and vote like Christians/Americans. In the long run "souls" are all that counts.

Mike
