

Borders and the US Constitution

It has been estimated that Arizona has 69,000 illegal immigrants and the United States has 12-20 million illegal immigrants. Most of the illegal immigrants come from Mexico. Some illegal immigrants are terrorist, narcotics dealers, involved in human trafficking, or criminals. All are illegal.

What the US Constitution says:

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, **provide for the common defense**, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Article 4, Section 4:

The United States shall guarantee to every State in this Union a Republican Form of Government, and shall protect each of them against Invasion; and on Application of the Legislature, or of the Executive (when the Legislature cannot be convened) against domestic Violence.

What Jan Brewer said to the President on 6/3/10:

PHOENIX — Gov. Jan Brewer unveiled her border security plan Thursday (6/3/10) that consists largely of moving around funding for existing National Guard units, providing one-time grants for local law enforcement — and railing against the Obama administration for failing to do more.

In a press conference at the state's National Guard headquarters, Brewer said it is not the job of state government to secure the border.

"But we have no other choice," she said. "Those who have failed to protect us have shown only weakness and delay."

She said President Obama and his top officials have "simply turned a blind eye to the issues that Arizona is being overrun by illegal immigration, terrorizing the citizens."

"No matter the cost, no matter the sacrifice, we cannot shirk government's principal responsibilities to the citizens we serve to provide safety and security," she said.

What Sarah Palin said about the Borders:

Sarah Palin stated that the Constitution says that the Federal Government (Obama) is responsible for the Borders. She blasted Obama for not making our Borders safe. AZ should never be in the position it is in.

Obama has increased the number of federal people (1,200 National Guard) on our Borders. Obama said it will take two weeks (to day is 6/8/10) before he can tell Jan Brewer (AZ Governor) how many people Arizona gets. I heard these will be desk jobs and not agents.

Both Karl Rove & Sarah Palin stated that Obama is fast to bypass the Laws and Constitution but fails to up-hold our Laws and Constitution.
